

Revolution Place is committed to safely opening our doors and will be following the guidelines outlined in the [Alberta Government's Relaunch Plan](#).

For the most up to date information from the province and to learn how you can protect yourself and others from COVID-19, please visit [COVID-19 info for Albertans](#).

As the team at Revolution Place looks forward to the PBR Monster Energy Tour Grande Prairie BuckWild taking place October 2nd-3rd, 2020, our first event back following COVID-19, new safety protocols have been implemented to ensure the comfort and wellbeing of fans, athletes, artists and staff.

- Re-routed traffic flow throughout the venue.
- Handwash and sanitizing stations.
- No re-entry policy.
- Reduction of physical touch points.
- Increased venue sanitization and cleanliness including box office counters and pin pads.
- Increased physical distancing.
- Reduced capacity of tickets for events available to the public.
- Social distance friendly POD seating that separates fans with a minimum four-to six-foot buffer between ticketed seats and minimizes the potential for crossover for fans entering and exiting their seats.
- More efficient exit following the event to reduce aisle, hallway and exit congregation.
- Mobile ticketing options.
- Waiving of online fees for ticket purchases.
- Increased options for cashless, contactless concessions, bars and merchandise sales.
- Social distancing guidelines and monitoring at restroom and concession areas.
- Limiting the number of fans who may enter and occupy restrooms at any time.
- Regular medical screening for all staff as they enter the venue.

We are looking-forward to welcoming back guests and safely providing a shared experience for residents of Grande Prairie and surrounding area.
